# Chang Lv

Associate Professor

State Key Laboratory of Information Security (SKLOIS),
Institute of Information Engineering (IIE),
Chinese Academy of Sciences (CAS),
Beijing 100093, P.R.China

Ivchang@amss.ac.cn, Ivchang@iie.ac.cn

### Education

2010–2015 **Ph.D.**, Academy of Mathematics and Systems Science, CAS, Beijing, China,

- Degree major: Applied Mathematics, Adviser: Prof. Zhexian Wan and Yingpu Deng.
- Thesis: Primality tests, ring class fields and diophantine equations, 2015

2006–2010 B.S., Nankai University, Tianjin, China,

• Degree major: Mathematics and Applied Mathematics.

## Area of research

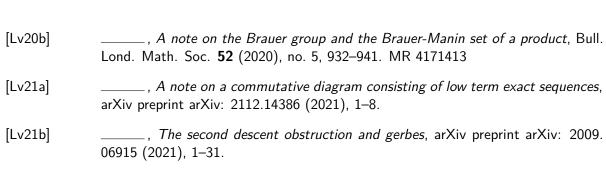

I am interested in algebraic number theory and arithmetic geometry.

# **Fundings**

01/2018-12/2020 Existence of integral points on quadratic norm form equations over global fields and applications, NNSF of China (Grants No. 11701552)
